## **DETAILED ACTION**

## Terminal Disclaimer

1. The terminal disclaimer filed on December 3, 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US. Pat. 6,449,030 and US. Pat. 6,671,036 has been reviewed and is accepted. The terminal disclaimer has been recorded.

## Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on December 3, 2004 was filed after the mailing date of the first office action on June 4, 2004. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement attached as Appendix A is being considered by the examiner.

## Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: Claims 1-59 have been found to be allowable since while the prior art of record discloses a lithographic projection apparatus comprising a first and second balance masses disposed along opposite sides of an object table for holding a mask wherein the balance masses are substantially free to translate in at least a first direction, and a pair of motors for moving the object table wherein each motor has two cooperating electromagnetic members, a respective first member of each pair is mounted to the object table and a respective second member is mounted to a respective one of the balance masses and the object is substantially free to translate in at least the first direction and is supported by the balance masses but does not specifically disclose a lithographic projection apparatus comprising among other features, first and second balance masses, and a first and

second motors/ or a bearing and actuators, with particular connections among these elements,

and satisfying conditions as recited in the instant claims of the present application.

4. Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for

Allowance."

5. Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Hung Henry V Nguyen whose telephone number is 571-272-

2124. The examiner can normally be reached on Monday-Friday (First Friday off).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's

supervisor, Judy Nguyen can be reached on 571-272-2258. The fax phone number for the

organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent

Application Information Retrieval (PAIR) system. Status information for published applications

may be obtained from either Private PAIR or Public PAIR. Status information for unpublished

applications is available through Private PAIR only. For more information about the PAIR

system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR

system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
